

**A Strategy Boardgame
For 2 to 4 Players**

**Recommended Ages:
11 to Adult**

**Avg. Learning Time:
15-30 minutes**

MSRP: \$38.00

Game Setting:

In the exciting game of Summonaria™, players take on the role of one of the great Master Summoners of Thranok as they wage war for total control of the realm's magical source! As one of these mighty wizards, players manage their incoming magical resources and use them to summon powerful champions from their homelands to aid them in battle as the struggle for magical supremacy mounts.

Players strategically deploy allies from their abundant resources and seek out temples where their warriors can gain the upper hand in combat. They must conquer and defend powerful keeps that contain the ultimate prize, the mystic Shezarian Stones! To do this, players will summon and command armies of noble warriors, enchanted creatures, hideous monsters and ghastly undead in a struggle to seize control of the stones and wield the power of the ancients!

Summonaria™ provides endless gameplay and is both easy to learn and challenging to master.

Game Contents:

- 5 Tower Tokens
- 200 Unit Tokens
- 15 Wound/Poison Tokens
- 100 Resource Cards

- 1 Easy to follow Rulebook
- 1 Comprehensive Bestiary
- Assorted Dice to Play the Game

Physical Dimensions:

9 1/8" Wide X 9 1/8" High X 4" Deep

Selling Points:

1. The rules to Summonaria™ are very easy to learn.
2. Summonaria™ provides varied and strategic gameplay and is rarely the same twice. This provides the game with a strong replayability feature and allows players to look for new ways to use different combinations of strategies and combat units to succeed.
3. Being a game for two to four players, Summonaria™ is a great game for get togethers and parties. An average game takes about an hour, though larger multi-player games can sometimes run longer as players make and break alliances, broker resource deals, and plot their way to control of the towers!
4. Summonaria™ is a great game to play tournament style! Players can be pitted against each other in elimination play, providing the additional competitive element of rank advancement. Tournament style play will be supported by Salamander Games, who will be setting up tournaments at gaming conventions and providing tournament standings for those players who can beat the best and become the most successful Master Summoner of all!
5. Summonaria™ is now also available for play online at Summonaria Online™!! Players can take their strategies online and compete with other players the world over via their web browser, providing another means of challenging other players and getting involved in the game!

Availability:

Summonaria™ will be available for wholesale to recognized gaming distributors. Distributors terms can be requested from Salamander Games at sales@salamandergames.com. Retailers should request Summonaria™ from their distributor. For purchasers who do not have ready access to a supplying distributor, Salamander Games will be providing this and other fine products directly from their online store.
